

Hi Folks

*Jimmy Live* has had a great run over the last 16 years, but this radio series is coming to an end on Friday June 19, 2020.

The first *Jimmy the Janitor* radio series ran from 1987 to 1997 in the Maritimes. The current series, *Jimmy Live*, started coast to coast to coast in February 2006.

Once we get through this pandemic, *Jimmy* will continue to perform live across the country and hopefully we will get to see you and your audiences again over the next few years.

Thank you so much for hosting *Jimmy Live*, we appreciate it very very much.

All the best and stay safe.
